Minutes of the Meeting of the Board of Directors: In the City of Buenos Aires, on the 18th day of the month of March, 2026, at 15.00 hours, the Board of Directors of **Cablevisión Holding S.A.** (the "Company") holds this meeting. Present at the Company's headquarters is the President, Mr. Ignacio R. Driollet, the Vicepresident, Mr. Ignacio J. M. Sáenz Valiente and the President of the Supervisory Commission, Mr. Pablo San Martín. Participating by videoconference through the Microsoft Teams system pursuant to Article Sixteen of the Company's Bylaws are Mmes. Directors Marcela Noble Herrera and Marcia L. Magonetto, and Messrs. Directors Lucio A. Pagliaro, Antonio R. Aranda, Nelson D. Pozzoli, Alan Whamond, Gonzalo Blaquier and Sebastian Salaber, and the members of the Supervisory Committee Messrs. Lorenzo Calcagno and Guillermo R. González Rosas. With sufficient quorum, the President, Mr. Ignacio Driollet, declares the meeting open and submits to the consideration of those present the first point of the agenda **1) Calling of the Annual Ordinary and Extraordinary Shareholders' Meeting.** The President continues to speak and states that, pursuant to applicable laws and bylaw provisions, this Board of Directors must call an Annual Shareholders' Meeting in order to consider, among other items, the documents set forth under Section 234, subsection 1 of Law No 19,550 and related laws, corresponding to economic year ended 31 December 2025. In addition, the President continues that given that the board of the Company's subsidiary Telecom Argentina S.A. has called its shareholders' meeting proposing to include the consideration of the delegation of powers to eventually reverse its "Optional Reserve to maintain the degree of capital expenditures and current level of solvency of the Company" to distribute dividends in one or more instalments, in cash or in kind or in any combination of both alternatives. As a consequence, if the shareholders of Telecom Argentina S.A. approve this delegation, if the board [of Telecom Argentina S.A.] so decides, after collecting dividends, the Company would have excess liquidity, it would be convenient, should the shareholders of the subsidiary resolve in favour of such delegation of powers on the board to reverse the reserve and pay dividends, [for this Board] to propose to the shareholders of the Company to delegate powers on the Board of Directors so that it has the same flexibility to eventually reverse the Optional Reserve for Illiquid Results and to pay dividends, in order to minimise the fluctuation in the value of the bonds that it receives [from its subsidiary]. Therefore, the President motions specifically that the Board call the Annual Ordinary and Extraordinary General Shareholders' Meeting for 30 April 2026 at 15.00 on first call and 8 May 2026 at 15.00 on second call (for matters pertinent to the Ordinary Shareholder's Meeting), to be held remotely, in order to consider the following points of the agenda: 1) Appointment of two (2) shareholders to sign the meeting minutes; 2) Consideration of the documents set forth under Section 234, subsection 1 of Law No 19,550 and related laws, corresponding to economic year No. 8, ended 31 December 2025; 3) Consideration of the performance of the members of the Board of Directors; 4) Consideration of the compensation of the members of the Board of Directors (Ps. 544,117,340 allocated amount) for the economic year ended 31 December 2025 which yielded a computable loss, as defined in the Rules of the Argentine Securities Commission; 5) Authorisation to the Board of Directors to pay advances on compensation to directors who perform technical administrative functions and/or independent directors and/or directors who participate in special commissions for economic year 2026, subject to the decision of the shareholders at the next Shareholders' Meeting at which compensation of the members of the Board of Directors is considered; 6) Consideration of the performance of the members of the Supervisory Committee; 7)

Consideration of the compensation of the members of the Supervisory Committee for the economic year ended 31 December 2025; 8) Authorisation to the Board of Directors to pay advances on compensation to the members of the Supervisory Committee for economic year 2026, subject to the decision of the shareholders at the next Shareholders' Meeting at which compensation of the members of the Supervisory Committee is considered; 9) Consideration of the application of the Company's Retained Earnings as of 31 December 2025, which yielded a negative result of Ps. 63,047 million. The Board of Directors proposes [that the Company] absorb the negative result of the economic year 2025 by partially reversing the Optional Reserve for Illiquid Results; 10) Consideration of the delegation of powers to the Board to reverse in full or in part the Optional Reserve for Illiquid Results to distribute dividends in one or more instalments in cash or in kind or in any combination of both alternatives, in the event that [the Company] receives dividends from its subsidiary Telecom Argentina S.A.; 11) Appointment of the members and alternate members of the Board of Directors; 12) Appointment of the members and alternate members of the Supervisory Committee; 13) Approval of the annual budget of the Audit Committee; 14) Consideration of the fees of the External Auditor for the economic year ended 31 December 2025; 15) Appointment of the Company's External Auditor. The Shareholders' Meeting will be held remotely using the Microsoft Teams system, which (i) will guarantee the participation of all the shareholders, with the right to speak and to vote, (ii) will allow for the simultaneous broadcast of sound, images and words, and (iii) will allow the recording of the meeting in digital support. The Company will send to all shareholders that communicate their attendance to the e-mail address Asamblea@cvh.com.ar, the link and instructions on how to access the system, together with instructions about the development of the Shareholders' Meeting.
